

RITA ORA - ANYWHERE

NO CAPO

[Verse 1]

Bm
Time flies by when the night is young
Bm A
Daylight shines on an unexposed location, location
Bm
Bloodshot eyes lookin' for the sun
Bm A
Paradise, we live it, and we call it a vacation, vacation

[Pre-Chorus]

Bm
You're painting me a dream that I.
A
Wouldn't belong in, wouldn't belong in

[Chorus]

Em A
Over the hills and far away
D
A million miles from L.A
Bm
Just anywhere away with you
Em A
I know we've got to get away
D
Someplace where no one knows our name
G
We'll find the start of something new
Em A
Just take me anywhere, take me anywhere
D Bm
Anywhere away with you
Em A
Just take me anywhere, take me anywhere
D G
Anywhere away with you

[Post-Chorus]

Em
Fun, little less fun
A D Bm
Little less, over, over, over, over, me
Em
Oh, fun, little less fun
A D Bm
Little less, over, over, over, over, me

[Verse 2]

Bm
Truth comes out when we're blacking out
A
Looking for connection in a crowd of empty faces, empty faces

Bm

Your secrets are the only thing I'm craving now
The good, and the bad, and the end

A

'Cause I can take it, I can take it

[Pre-Chorus]
