```

[Intro]

```
C      Am      Em  -
C  C*  Am  Am*  Em  Em*  Em  Em**
```

[Verse 1]

```
C                      C*
Sittin' all alone
Am                      Am*
Mouth full of gum
      Em      Em*  Em  E**
In the driveway
      C                      C*
My friends aren't far
      Am                      Am*
In the back of my car
      Em      Em*  Em  E**
Lay their bodies
      C  C*  Am  Am*
Where's my mind
      Em  Em*  Em  Em**
Where's my mind
C                      C*
They'll be here pretty soon
Am                      Am*
Lookin' through my room
      Em      Em*  Em  Em**
For the money
C                      C*
I'm bitin' my nails
Am                      Am*
I'm too young to go to jail
      Em      Em*  Em  Em**
It's kinda funny
```

[Pre-Chorus]

```
      C  C*  Am  Am*
Where's my mind
      Em  Em*  Em  Em**
Where's my mind
      C  C*  Am  Am*
Where's my mind
      Em  Em*  Em
Where's my mind
```

[Chorus]

Maybe it's in the gutter C  
Where I left my lover Am  
What an expensive fate Em Em  
My V is for Vendetta C  
Thought that I'd feel better Am  
But now I got a bellyache Em Em

[Verse 2]

Everything I do C  
The way I wear my noose Am  
Like a necklace Em  
I wanna make 'em scared C  
Like I could be anywhere Am  
Like I'm wreck-less Em  
I lost my mind C Am  
I don't mind Em  
Where's my mind C Am  
Where's my mind Em

[Chorus]

Maybe it's in the gutter C  
Where I left my lover Am  
What an expensive fate Em Em  
My V is for Vendetta C  
Thought that I'd feel better Am  
But now I got a bellyache Em Em  
Maybe it's in the gutter C

Am  
Where I left my lover  
Em Em  
What an expensive fate  
C  
My V is for Vendetta  
Am  
Thought that I'd feel better  
N.C.  
But now I got a bellyache
