[Verse 1] **STRUMMING PATTERN 1 D U X D U X**

Am
I don't like your little games
Don't like your titled stage
The role you made me play
Of the fool, no, I don't like you
I don't like your perfect crime
How you laugh when you lie
You said the gun was mine
Isn't cool, no, I don't like you

[Pre-Chorus] **STRUMMING PATTERN 1&2 e & 3 & 4**

Am
But I got smarter, I got harder in the nick of time
G
Honey, I rose up from the dead, I do it all the time
F
I've got a list of names and yours is in red underlined
E7
I check it once, then I check it twice

[Chorus] **STRUMMING PATTERN D U X D U X**

Am

Ohh, look what you made me do

Look what you made me do

Look what you just made me do

Look what you just made me do

Ohh, look what you made me do

Look what you made me do

Look what you just made me do

Look what you just made me do

[Verse 2] **STRUMMING PATTERN 1 D U X D U X**

Am

I don't like your kingdom keys

They once belonged to me

You ask me for a place to sleep

Locked me out and threw a feast (what?)

The world goes on, another day, another drama-drama

But not for me, not for me, all I think about is karma

And then the world moves on but one thing's for sure

Baby, I got mine, but you'll all get yours

[Pre-Chorus]

Am

But I got smarter, I got harder in the nick of time

G

Honey, I rose up from the dead, I do it all the time

F

I've got a list of names and yours is in red underlined

E7

I check it once, then I check it twice

[Chorus]

Am

Ohh, look what you made me do

Look what you made me do

Look what you just made me do

Look what you just made me do

Ohh, look what you made me do

Look what you made me do

Look what you just made me do

Look what you just made me do
