by Misc Soundtrack

Capo: 3rd fret

Key: Gb

[Verse 1]

Zac Efron

**G**

You know I want you

**G**

It's not a secret I try to hide

**G**

I know you want me

So don't keep saying our **G** hands are **C** tied

**D/F#**

**Em**

You claim it's not in the cards

**C**

But fate is pulling you miles away

**D/F#**

And out of reach from me

**Em**

But you're here in my heart

**C**

So who can stop me if I decide

That you're my destiny?

[Chorus]

Zac Efron

**Em**

**C**

What if we rewrite the stars?

**G**

**D/F#**

Say you were made to be mine

**Em**

**C**

Nothing could keep us apart

**G**

**D/F#**

You'd be the one I was meant to find

**Em**

**C**

It's up to you, and it's up to me

**G**

**D/F#**

No one can say what we get to be

**Em**

**C**

So why don't we rewrite the stars?

**G**

**D/F#**

Maybe the world could be ours

**G**

Tonight

[Verse 2]

Zendaya

**G**

You think it's easy

**G**

You think I don't want to run to you

**G**

But there are mountains

**G**

And there are doors that we can't walk through

**D/F#**

**Em**

I know you're wondering why

**C**

Because we're able to be

Just you and me

**D/F#**

Within these walls

**Em**

But when we go outside

**C**

**D**

You're going to wake up and see that it was hopeless after all

[Chorus]

Zendaya

**Em**

**C**

No one can rewrite the stars

**G**

**D/F#**

How can you say you'll be mine?

**Em**

**C**

Everything keeps us apart

**G**

**D/F#**

And I'm not the one you were meant to find

**Em**

It's not up to you

**C**

It's not up to me

**G**

**D/F#**

When everyone tells us what we can be

**Em**

**C**

How can we rewrite the stars?

**G**

**D/F#**

Say that the world can be ours

Tonight

It feels impossible
