

RITA ORA - ANYWHERE (UKULELE)

[Verse 1]

Am / / / /
Time flies by when the night is young
Am / / / / G / / / /
Daylight shines on an unexposed location, location
Am / / / /
Bloodshot eyes lookin' for the sun
Am / / / / G / / / /
Paradise, we live it, and we call it a vacation, vacation

[Pre-Chorus]

Am
You're painting me a dream that I.
G
Wouldn't belong in, wouldn't belong in

[Chorus]

Dm G
Over the hills and far away
C
A million miles from L.A
Am
Just anywhere away with you
Dm G
I know we've got to get away
C
Someplace where no one knows our name
F
We'll find the start of something new
Dm G
Just take me anywhere, take me anywhere
C Am
Anywhere away with you
Dm G
Just take me anywhere, take me anywhere
C F
Anywhere away with you

[Post-Chorus]

Dm
Fun, little less fun
G C Am
Little less, over, over, over, over, me
Dm
Oh, fun, little less fun
G C Am
Little less, over, over, over, over, me

[Verse 2]

'Cause I can take it, I can take it
