So this is my first tab, hope you enjoy  
P.S.:this is a really great song to play with two acoustic guitars  
P.P.S.:That chord Cadd9 is like a G but you put the fingers of the 6 string on the 5 string at the same fret and the one at 5 string goes to 4 string at the same fret and the strumming is two down,two up, one down and one up  
Good Luck and put your rating of my tab and a comment please
