THE GREATEST SHOW
[Intro]
Bm D Bm (x9)
Woah
[Verse 1]
N.C.
Ladies and gents, this is the moment you've waited for
Bm D Bm
Woah
N.C.
Been searching in the dark, your sweat soaking through the floor
Woah
N.C.
And buried in your bones there's an ache that you can't ignore
N.C.
Taking your breath, stealing your mind
And all that was real is left behind
[Pre-Chorus]
                     Bm
Don't fight it, it's coming for you, running at ya
It's only this moment, don't care what comes after
Your fever dream, can't you see it getting closer
                          Bm
                                                       Bm
Just surrender 'cause you feel the feeling taking over
                Bm
It's fire, it's freedom, it's flooding open
                       Bm
                                                       Bm
It's a preacher in the pulpit and you'll find devotion
                                                                    F#
There's something breaking at the brick of every wall it's holding all
that you know
So tell me do you wanna go?
[Chorus]
Where it's covered in all the colored lights
Where the runaways are running the night
             F#
Impossible comes true, it's taking over you
Oh, this is the greatest show
                               Bm
We light it up, we won't come down
And the sun can't stop us now
```

```
Watching it come true, it's taking over you
Oh, this is the greatest show
[Verse 2]
        Bm
(Woah) Colossal we come these renegades in the ring
                                                                 Bm
(Woah) Where the lost get found in the crown of the circus king
[Pre-Chorus]
                     Bm
Don't fight it, it's coming for you, running at ya
               Bm
It's only this moment, don't care what comes after
It's blinding outside and I think that you know
Just surrender 'cause you're calling
And you wanna go
[Chorus]
Where it's covered in all the colored lights
Where the runaways are running the night
             F#
Impossible comes true, intoxicating you
Oh, this is the greatest show
We light it up, we won't come down
And the sun can't stop us now
               F#
                                    Bm
Watching it come true, it's taking over you
Oh, this is the greatest show
[Post-Chorus]
It's everything you ever want
It's everything you ever need
And it's here right in front of you
                        Bm
This is where you wanna be (This is where you wanna be)
It's everything you ever want
