

# THE OTHER SIDE – TROLLS WORLD TOUR

[Intro]

| **Dm** **Em** | **Em** **Am** |

[Verse 1]

    / /                   / /                   / / / /  
    **Dm**                   **Em**                   **Am**

You're preachin' to the choir, stop hatin' on yourself

**Dm**                   **Em**                   **Am**

Quit playin' with your mind, you're spinnin'

**Dm**                   **Em**                   **Am**

If you think that I'm a liar, just try it for yourself

**Dm**                   **Em**                   **Am**

The clouds will open up, blue skies are willing

**Dm**           **Em**           **Am**

    Yeah, I know it's so hard to throw away

**Dm**                   **Em**                   **F**

The clouds will open up, blue skies are willing

[Chorus]

    / /                   / /                   / / / /  
    **Dm**                   **Em**                   **Am**

Back on your feet again, lift your head, hold it high

**Dm**                   **Em**                   **Am**

You wanna run it back, but you can't turn the time

**Dm** **Em**                   **A**

You start to feel like you're losing your shine

**Dm**                   **Em**                   **Am**

But the grass ain't always greener on the other side

**Dm** **Em** **Am**

The other side

**Dm** **Em** **Am**

Got you stuck in your mind

**Dm** **Em**                   **A**

You start to feel like you're losing your shine

**Dm**                   **Em**                   **Am**

But the grass ain't always greener on the other side

[Verse 2]

**Dm Em Am**  
Hey you, stop stressin' 'bout what you're missin'  
**Dm Em Am**  
So blue, just take it easy, take your time  
**Dm Em Am**  
If you think my words are wise, just try it for yourself  
**Dm Em Am**  
I promise the stars will light the path you walk, don't give in  
**Dm Em Am**  
Got a heart of gold, what a shame to go to waste  
**Dm Em F**  
The clouds will open up, blue skies are willing

[Chorus]

**Dm Em Am**  
Back on your feet again, lift your head, hold it high  
**Dm Em Am**  
You wanna run it back, but you can't turn the time  
**Dm Em A**  
You start to feel like you're losing your shine (Losing your shine)  
**Dm Em Am**  
But the grass ain't always greener on the other side (Shine)  
**Dm Em Am**  
The other side (Feet again, lift your head, hold it high)  
**Dm Em Am**  
Got you stuck in your mind (Run it back, but you can't turn the time)  
**Dm Em A**  
You start to feel like you're losing your shine  
**Dm Em Am**  
But the grass ain't always greener on the other side

[Bridge]

**Dm Em Am**  
Just take it from me, you'll be okay (You'll be okay)  
**Dm Em Am**  
'Cause it don't matter how sweet it tastes (How sweet it tastes)

**Dm**                    **Em**  
The grass ain't green, don't worry

**Am**  
Losin' sleep, still wanna get

**Dm**                    **G**  
Yeah, you get

[Chorus]

**Dm**                    **Em**                    **Am**  
Back on your feet again, lift your head, hold it high

**Dm**                    **Em**                    **Am**  
You wanna run it back, but you can't turn the time

**Dm** **Em**                    **A**  
You start to feel like you're losing your shine

**Dm**                    **Em**                    **Am**  
But the grass ain't always greener on the other side

[Instrumental]

| **Dm** **Em** | **Am** | 2x

[Outro]

**Dm** **Em**                    **A**  
You start to feel like you're losing your shine

**Dm**                    **Em**                    **Am**  
But the grass ain't always greener on the other side
